7. real
8. Thunder
9. idk what to make at this point pls give ideas
10. breezepelt
11. spoilers for A Starless Clan

A/N

all memes are mine unless I say otherwise

you may use them in your own meme books, but please credit me if you do

also, you guys might have seen all these memes 'cause of the deleting-remaking account ordeal, so just watch out for that

without further ado, let's get into some memes!

the clans
